

# GEOTECHNICAL OPERATION, ENGINEERING FEASIBILITY OR SEABED SURVEY AUTHORIZATION

## *Canada Oil and Gas Operations Act (COGOA)*

Please read carefully – Important information to know in completing this form

This form and any future documents you file with the Canada Energy Regulator (CER) will appear in the CER's online public registry, meaning that your personal information and the documents themselves can be accessed and viewed by the public.

Here are the options you can use to file your completed form.

Note: The CER does not accept filing by email

1. The preferred method for filing your form is online through the CER's e-filing tool (<https://apps.cer-rec.gc.ca/efile/ElectronicDocumentSubmission.aspx>). Step-by-step instructions are provided in the e-filing tool itself. Documents filed through the e-filing tool must be in PDF format.

This form and supporting documentation may be submitted via the CER's e-filing tool.

Once a filing is made through the e-filing tool, you will receive a filing receipt via email with instructions regarding providing the CER with a signed copy of your receipt and form.

2. You can print this form and you can send a copy to the CER by fax at 403-292-5503 or 1-877-288-8803 (toll-free).
3. You can mail or courier to the following:

Applicants can continue to submit paper documents along with an electronic version on CD/DVD (.pdf preferred) as official records.

When submitting a printed copy, please note that we ask for three (3) copies of the form, each copy signed and dated in blue ink by an owner of the company, or a representative of the owner who has the owner's consent to sign on their behalf, and the supporting information or documentation.
